9183 | Adjustable POS Countertop Mount

Quickly adjust monitor or kiosk height and angle with this easy-to-use mount. Integrated cable management keeps cables safe and out of view; cables may exit above or below counter. Three sizes provide height adjustment from 11 to 39 inches.

MAXIMIZE COUNTER SPACE

Why rely on bulky, unstable monitor bases, when you can raise the monitor above the counter? More counter space means more selling space.

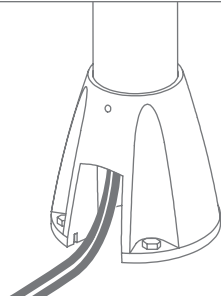

9189 | Adjustable Through-Counter Mount

This height-adjustable mount passes through counter. Integrated cable management keeps cables safe and out of view. Three sizes provide height adjustment from 12 to 36 inches.

SECURE YOUR IT INVESTMENT

Protect your monitors and kiosks by mounting them securely; keep cables out of sight and out of customer reach to avoid damage and disconnections.

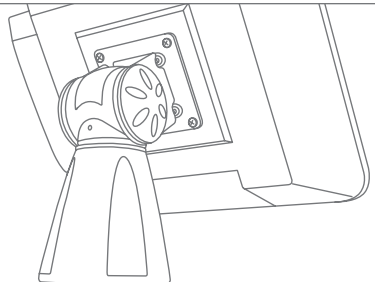

9190 | Compact POS Countertop Mount

Secure monitor to countertop while keeping cables out of view. Quickly adjust monitor angle to user preference. Can't tip over, unlike a monitor with freestanding base!

IMAGE IS EVERYTHING

Choose Innovative's clean, attractive POS design to convey a quality image straight through the checkout process.
