

EVO® 5500

Short-Reach LCD Arm

Model 5500 from the EVO® Series is an attractive arm specifically intended for tight workspaces. The arm allows effortless height adjustment and repositioning of the monitor. EVO® creates a multi-functional workspace where the monitor can be moved out of the way when not in use.

FEATURES

- ▲ Intuitive movement – no buttons or levers, simply move monitor to desired position
- ▲ Quick-install/quick-release mechanism instantly and securely snaps monitors into position
- ▲ Mount clamps to desk or through grommet with integrated handle (*may also combine with slatwall, slatrail or wall mount*)
- ▲ Cable management reduces workspace clutter

Vertical range of +/- 5" from horizontal

Extends 12" and folds flat to save maximum space

Quick-install/quick-release

Integrated cable management
