

Model 7011-8252

Laptop Arm

LIBERATE
YOUR
DESKTOP

Simply place your notebook computer on the holding tray; the arm renders it weightless. One-touch adjustment will change height or position. Finished working? Simply move it out of the way, or grab your notebook and go!

FEATURES

- ▲ Gas cylinder "floats" notebook above desk – instantly raise and lower notebook
- ▲ Extends up to 31.9" (81 cm), with 14.8" (37 cm) vertical range and folds up to occupy 10.9" (28 cm) of space
- ▲ Rotates 360 degrees at three joints
- ▲ Integrated cable management system keeps your work surface free of annoying cable clutter
- ▲ Made of sturdy cast aluminum

COMPATIBILITY

- ▲ Holds notebooks up to 23 lbs (10.4 kg)

Instantly raise and lower notebook

Folds flat when not in use to save space
